

Elder Interview Questions

It is an important step in the process of membership to be interviewed by two Elders (it is also required in our bylaws). These questions are for those applying for membership after going through a membership class. Essentially, we want to know more about you as you go forward in the membership process.

1. What is your spiritual background?
2. How and when did you become a Christian?
3. How did you come to New Life?
4. Do you have one significant moment in your spiritual life you would like to share?
5. Why do you want to become a member?
6. Do you have any questions about membership?
7. Have you been baptized by water as a believer? Yes / No
